Merchant acquirers and third party settlement organizations, as payment settlement entities (PSE), must report the proceeds of payment card and third party network transactions made to you on Form 1099-K under Internal Revenue Code section 6050W. The PSE may have contracted with an electronic payment facilitator (EPF) or other third party payer to make payments to you.

If you have questions about the amounts reported on this form, contact the FILER whose information is shown in the upper left corner on the front of this form. If you do not recognize the FILER shown in the upper left corner of the form, contact the PSE whose name and phone number are shown in the lower left corner of the form above your account number.

See the separate instructions for your income tax return for using the information reported on this form.

Payee's taxpayer identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), or adoption

taxpayer identification number (ATIN). However, the issuer has reported your complete identification number to the IRS, and, where applicable, to state and/or local governments. **Note.** If your EIN is reported in this box, you should see the complete number in this format (XX-XXXXXXX).

Account number. May show an account or other unique number the PSE assigned to distinguish your account.

Box 1. Shows the aggregate gross amount of payment card/third party network transactions made to you through the PSE during the calendar year.

Box 2. Shows the merchant category code used for payment card/third party network transactions (if available) reported on this form.

Box 3. May show the number of purchase transactions (not including refund transactions) processed through the payment card/third party network. (Optional—The PSE is not required to complete this box for 2012.)

Boxes 5a–5l. Shows the gross amount of payment card/third party network transactions made to you for each month of the calendar year.
